PRESIDENT'S UPDATE

To be a REALTOR®

In the month of Thanksgiving, gratitude for fellow REALTORS® and for the industry crafted by our associations runs high with me.

A licensed salesperson or broker is about properties, clients, client service, deals, commissions, and the rest.

A REALTOR® is about making a difference in communities and lives while doing those things.

I'll leave it at that...that I am so grateful for the privilege and great legacy of Realty and REALTORS®. Thanks for getting to share this Association together.

As always there's a lot in the month's letter for all — for you and for giving back.

Thanks to Carol, Anissa, and Danielle who power the machinery of MFCAR.

Sincerely,
Mark

ETHICS CORNER

From: National Association of REALTORS®
Sent: Friday, November 13, 2020 2:46 PM
Subject: Breaking News: Ethics Duty Expanded

We Don't Tolerate Hate

NAR's Board of Directors today strengthened REALTORS®' commitment to upholding fair housing ideals, approving a series of recommendations from NAR's Professional Standards Committee that extend the application of **Article 10 of the Code of Ethics** to discriminatory speech and conduct outside of members' real estate practices.

Article 10 prohibits REALTORS® from discriminating on the basis of race, color, religion, sex, handicap, familial status, national origin, sexual orientation, or gender identity in the provision of professional services and in employment

practices. The Board approved a new Standard of Practice under the Article, 10-5, that states, "REALTORS® must not use harassing speech, hate speech, epithets, or slurs" against members of those protected classes.

The Board also approved a change to professional standards policy, expanding the Code of Ethics' applicability to all of a REALTOR®'s activities, and added guidance to the Code of Ethics and Arbitration Manual to help professional standards hearing panels apply the new standard.

Finally, Directors approved a revision to the NAR Bylaws, expanding the definition of "public trust" to include all discrimination against the protected classes under Article 10 along with all fraud. Associations are required to share with the state real estate licensing authority final ethics decisions holding REALTORS® in violation of the Code of Ethics in instances involving real estate-related activities and transactions where there is reason to believe the public trust may have been violated.

The Board made these changes effective immediately, though the changes cannot be applied to speech or conduct that occurred before the effective date. NAR has produced training and resource materials to assist leaders with understanding and implementing the changes and will be rolling those out in the coming weeks.

Welcome to the 5th Annual **be homeful for the holidays** campaign! The CT REALTORS® Foundation is pleased to once again partner with the Connecticut Coalition to End Homelessness to help end family homelessness in CT.

This heartwarming campaign has provided holiday cheer to more than 5,000 children living in CT shelters and has helped more than 1,000 families avoid the hardship of homelessness.

Thanks to you, a child could stay safe at home... your generous gift helps prevent family homelessness by providing emergency assistance to help children and their families stay in the comfort of home and not have to enter the shelter system.

For every \$25 donated, the CT REALTORS® Care Foundation will gift a Paddington plush bear to a child living in a shelter for the holidays.

This year each of the 16 local Connecticut Boards have their own fundraising team and online donation site. Each board has been assigned an initial goal of \$1,000 - representing the typical amount it takes to prevent a family from losing their home.

If you or your office would like to start your own "bear raiser" (team) and use your personalized donation link to encourage family and friends to donate as well please contact Beth at beth@ctrealtors.com.

Please share our campaign with your friends and family by email, text, word of mouth and by social media.

This holiday season, let's make sure everyone has a place to call home - it's what being a REALTOR® is all about!
