# MFCAR is Hosting a Backpack Drive in Partnership with Person to Person

Person to Person has asked for our help to provide needy school children with **Back to School Gear**, to make returning to school a positive experience for needy children of our communities and to remove the burden of this expense from their struggling parents.

We've made supporting this drive super easy, as we've purchased all the items in bulk and we'll assemble each backpack with the requested supplies below.

- |                        |                         |                           |                       |

We're looking for 24 MFCAR Members to support this worthy cause by covering the cost of a Backpack to be donated in your name to Person to Person. The donation fee is \$25.00 payable to MFCAR via cash, check or credit card. If we have a supportive quick turnout with this drive, we will continue to take donations for another 24 backpacks. Will you be the reason a child smiles filled with pride returning to school with their new backpack full of supplies?
